

## IZAR LED

Izar is based on a futuristic puzzle system whose basic shape - a three-legged, rounded star - can be used either alone or in combination with other Izars. However you use it, it's impossible not to use Izar creatively in a space. For wall or ceiling mounting or use with the suspension set. Available in white and black, with matt or glossy finishing.

Art. Nr. US\_11340801
