

TRAPZ 2X LED 0-10V/TRE DIM 1% DI

With their indirect lighting and subtle shadow effects, wall fixtures are undoubtedly atmosphere creators. Trapz, our organic interpretation inspired by a trapezium, is no different. The flattened cylinder has been finished with two oblique openings, which allow you to see the contrasting interior of the luminaire and immediately create an unusual chiaroscuro effect. New colour combinations extend the Trapz LED range. Metallic blue - alu, silky grey - champagne, cacao bronze - black are bringing an even more authentic feel into the room.

Art. Nr. US_12593209

SPECIFICATIONS

Lamp	2x LED Array 6.2W
Driver	driver included
Weight	2.9kg
Min. distance	
Power supply	120-277V
Location rating	dry locations only
Glow wire test	
CRI	90
webterm_lumen	979 Lm
Efficacy	67 Lm/W
UGR	19
Adjustability	Not Applicable
Remark	! dry locations only ! including back plate 4"x4" - plaster finish ! ADA compliant
