

QBINI ROUND IN LED DE

A portmanteau of 'cubic' and 'mini', Qbini introduces modular, miniature, recessed LED lighting solutions to residential and hospitality venues and boutiques. Qbini allows to effortlessly express a unique lighting concept in every project. Available in a load of shapes, frames, colours and accessories, Qbini combines choice with exclusive design and high-quality lighting technology. Qbini can be combined with 2 different frames: with or without a trim. Both of them are available in 1x, 2x, 3x or 4x lamp configurations. Mix and match and create your preferred configuration.
